: DECISION ON PETITION
: TO WITHDRAW THE
: HOLDING OF ABANDONMENT
:

This is in response to applicant's renewed petition to withdraw the holding of abandonment filed in the United States Patent and Trademark Office (USPTO) on May 5, 2004.

The petition is **DENIED**.

A review of the file records reveals that the application was held abandoned for failure to timely file a reply to the letter of Informality Re Payment of Fee mailed November 21, 2002. This letter was mailed in response to the amendment filed November 4, 2002.

Applicant argued in the previous petitions that a response to the June 26, 2002 Office action was mailed on October 26, 2002 and lost by the Office. A further review of the file records reveals that that response was received on November 4, 2002 and that applicant has a certificate of mail dated October 26, 2002 attached to the response. However, the response was not entered since it was held applicant failed to remit the \$114 fee required for the eight claims in excess of the twenty previously paid for and for the fourth independent claim. A Notice to that effect was mailed on November 21, 2002 wherein applicant was given the remainder of the set period for response, or one month from the date of the Notice, whichever is longer, within which to remit the fee.

A review of the record reveals that a response was received on February 5, 2003. Since the period for response expired December 23, 2002, this response was held untimely. The application was held abandoned and a Notice to that effect was mailed on March 12, 2003.

The supplemental petition filed October 19, 2003 alleges that a response to the Fees Due letter was transmitted to the Office by facsimile on December 26, 2002. However, the copy of the response provided cannot be used as evidence of timely filing since the document is unsigned. Furthermore, the response did not include the appropriate fee to extend the response period to December 26, 2002. Thus, the application was properly held abandoned.

The renewed petition filed May 5, 2004 does not offer any additional evidence to support applicant's contention that a response to the fees due letter of November 21, 2002 was timely filed.

SUMMARY: The petition to withdraw the holding of abandonment is **DENIED**.

Applicant may wish to consider filing a petition to revive under 37 CFR 1.137(a) (unavoidable delay) or 37 CFR 1.137(b) (unintentional delay) as discussed below.

I. Unavoidable Delay

A grantable petition to revive an abandoned application under 37 CFR 1.137(a) must be accompanied by: (1) the required reply (unless previously filed), which may be met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute; (2) the petition fee required by 37 CFR 1.17(l); and (3) an adequate showing to the satisfaction of the Commissioner that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(a) was unavoidable.

The showing requirement can be met by submission of statements of fact establishing that the delay in filing the reply was unavoidable. This includes a satisfactory showing that the cause of the delay resulting in failure to reply in a timely fashion to the Office action was unavoidable. Diligence during the time period between abandonment and filing of the petition to revive must also be shown.

As an alternative to filing a petition for unavoidable abandonment, a petition for revival of an application abandoned unintentionally under 37 CFR 1.137(b) might be appropriate.

II. Unintentional Delay

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by: (1) the required reply (unless previously filed), which may be met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute; (2) the petition fee required by 37 CFR 1.17(m); and (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

The petition fee required by law for filing a petition under unavoidable standard is \$110. The fee for a petition under the unintentional standard is \$1,330. If applicant has, or can qualify as a "small entity" and does so prior to or together with the payment of the fee, the fee will be one-half of the amount indicated.

If not previously filed, the reply to the outstanding Office action must accompany the petition to revive. The required items should be promptly submitted under a cover letter entitled "Petition to Revive."
